#### IMPORTANT INSTRUCTIONS TO VOTERS

Please read the following before marking your ballot:

- To vote for any person whose name is printed on this ballot use only a pencil or ink pen (black or blue) and fill in the oval  to the right of the candidate's name, not in excess of the number to be elected to the office.
- To vote for any person whose name is not printed on this ballot, write the name in the PERSONAL CHOICE COLUMN, and fill in that oval to the right of name. Do not vote for more candidates than are to be elected.
- To vote for the Public Questions, if printed on this ballot, use only a pencil or ink pen (black or blue) and fill in the oval  to the right of the word "YES" or "NO".
- If you tear, deface or incorrectly mark this ballot, return it to the Atlantic County Clerk's Election Office and obtain a new ballot.

 VOTE BOTH SIDES**

**OFFICIAL MUNICIPAL QUESTION**

**PUBLIC QUESTION TO BE VOTED UPON**

“Shall the Common Council of the City of Linwood, in the County of Atlantic, New Jersey, install a multi-use artificial turf field at All Wars Memorial Park for an estimated cost of \$1.6 million while upgrading the aging, existing lighting to high efficiency LED lighting for the entire park at an estimated cost of \$1 million and issue general obligation bonds in the amount of \$2.6 million to finance the cost of such installation and lighting upgrades? Upgrades to presently existing lighting facilities will need to take place in 3-5 years.”

**YES**

**NO**

**INTERPRETIVE STATEMENT**

"This non-binding referendum will allow the Mayor and City Council of the City of Linwood to obtain the sentiment of the legal voters of the City as to whether the City of Linwood should install an artificial turf playing surface at All Wars Memorial Park, upgrade the aging existing lighting now, (that needs to be replaced in 3-5 years), to high efficiency LED lighting for the entire park and to fund the cost of such installation through the issuance of bonds in an estimated \$2.6 million. The estimated cost of the artificial turf field is \$1.6 million. The estimated useful life of the artificial turf field is projected to be 10-12 years. The City and sports organizations pay over \$75,000 every year to maintain the existing grass fields. The lights at All Wars Memorial Park were originally installed in 2000 and have a life expectancy of 25 years. It will be necessary to install new lighting by the year 2025 regardless of the installation of a new artificial turf field. The cost of the lighting is \$1 million. The Mayor and City Council are not legally bound to act in accordance with the results of the vote on this question."

**IMPORTANT  
VOTE BOTH SIDES**
