OFFICIAL MUNICIPAL QUESTION
PUBLIC QUESTION TO BE VOTED UPON

“Shall the City of Port Republic School District be reclassified from a Type I School District (with five (5) members of the Board of Education appointed by the Mayor) to a Type II School District made up of nine (9) Board of Education Members elected by the legally qualified voters of the City of Port Republic, pursuant to N.J.S.A. 18A:9-4.”

YES
 NO

INTERPRETIVE STATEMENT

“If a majority of voters vote yes, the change from a Type I School District to a Type II School District would mean that voters would elect members to the City of Port Republic Board of Education as opposed to the Board members being selected by the Mayor of the City. The Board of Education would change from a five-member Type I board to a nine-member Type II elected board. Each board member would be elected to a three-year term, with elections for three members occurring during regularly-scheduled annual November elections starting the first November after passage of this referendum, and current members remaining until their terms expire. The change from Type I to Type II would eliminate the appointed Board of School Estimate who currently vote on the school budget. Under Type II, the voters would vote on the approval of any budget exceeding a 2% increase from the previous year’s budget (with limited exceptions.) Under Type II, the public would also vote on future bonding for school capital projects that exceed the state cap on property tax growth. If approved, under Type II there will also be other minor technical changes required that are not set forth herein. To increase the Board from a five-member to a nine-member board, a special election will need to be held for the election of the additional members.”
